

Mandate

To sustainably manage the living aquatic resources and promote the aquaculture sector.

Vision

The vision of the Ministry of Fisheries and Marine Resources is for Namibia to be a leading nation with a well-developed aquaculture industry.

Mission

To responsibly manage living aquatic and resources to continuously ensure a conducive environment for the fishing and aquaculture sector to prosper.

Core Values

- **Transparency-** The Ministry will ensure to deliver its service in a transparent manner, while upholding confidentiality and protect information of individual right holders. The Ministry will maintain close links and constructive exchange of information with the fishing industry and other stakeholders, to ensure better cooperation and understanding on sector issues and thus enhance development and good governance for the benefit of the future generation.
- **Accountability-** The Ministry will ensure that complaints about our service delivery are dealt with fairly and that a prompt action is taken to rectify shortcoming in areas where satisfaction standards have not been achieved.
- **Equity** - The Ministry will apply relevant policy and legislation so as to ensure that equitable access to resources leads to benefit for all interested stakeholders, while facilitating the Namibianisation of the fishing sector.
- **Honesty-** The Ministry will ensure to, at all times, apply the policy and legislative frameworks in a fair, trustworthy, genuine and equal manner, while upholding the professional standard in delivering the service.
- **Loyalty** - The Ministry must ensure the creation of a conducive working environment in which staff members will be motivated as team players to conduct their service and make their contributions toward success diligently.
- **Diligence-** The Ministry and its staff are dedicated to provide its services with full commitment in line with the needs and desire of our client/stakeholders as a team.
